Sample Workspace

- > Inside the sample workspace
- > Another thing inside the sample
- > Man this is a lot of samples huh
- > Our hypothetical user
- > is really putting in work

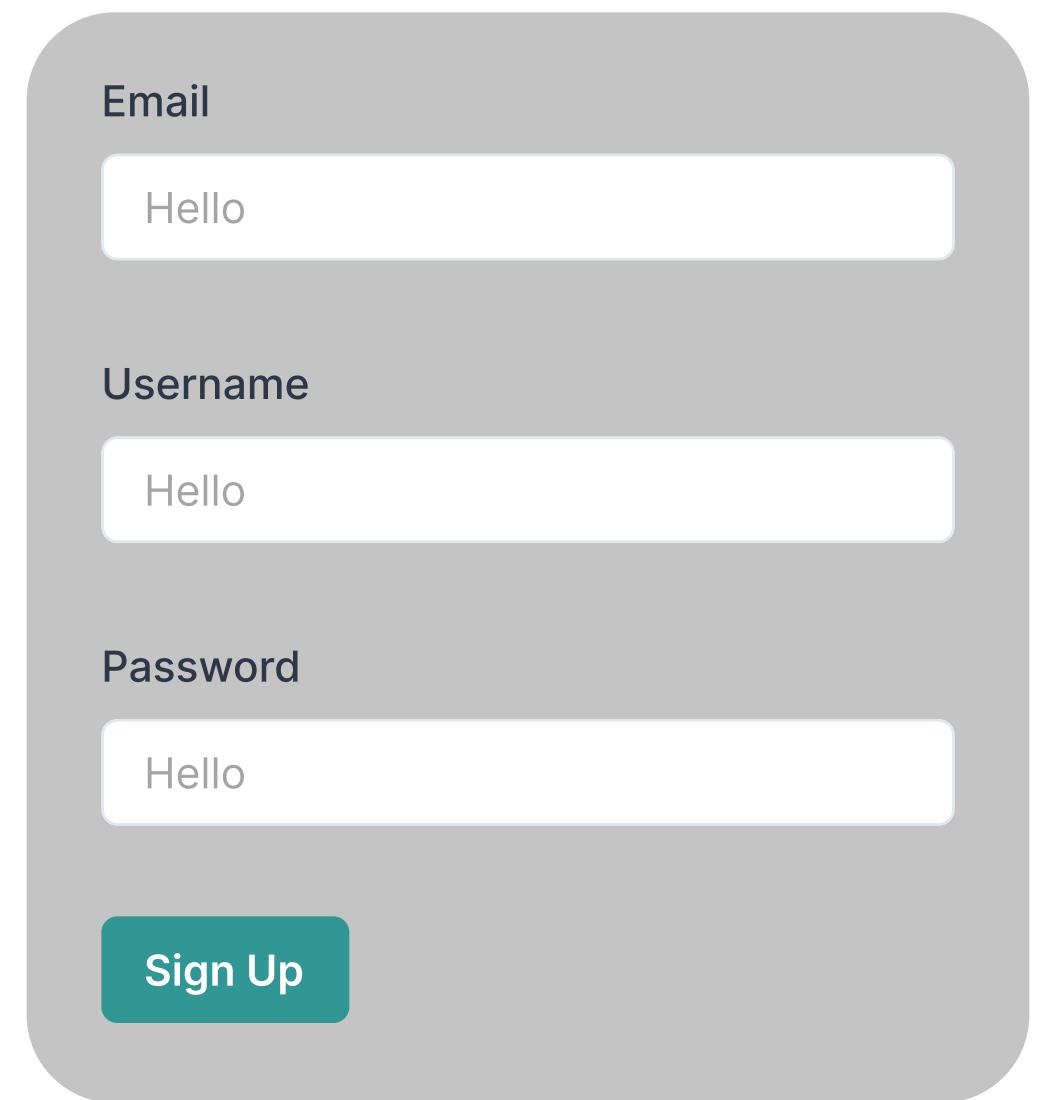

Another Sample

- > Because why not right?
- > No one can stop me
- > stop reading this man

This Is My Note

I get to choose what the contents say. I really hope one of my group mates don't change what this text box says in our product mockup. I will be very sad if that happens

Task Name	Due Date	Notes
Work on Listeme <input type="checkbox"/> Think of better text to put here <input type="checkbox"/> And here too!	Jan 28th Jan 32nd	Note 1

A light gray rounded rectangular form card containing three input fields and a teal 'Sign Up' button. The first input field is labeled 'Email' and contains the placeholder 'Hello'. The second input field is labeled 'Username' and also contains the placeholder 'Hello'. The third input field is labeled 'Password' and contains the placeholder 'Hello'. Below these fields is a teal button with the white text 'Sign Up'.
